**Honorable Assistant Commissioner
for Patents
Washington, D.C. 20231**

AMENDMENT UNDER 37 C.F.R. § 1.312

Sir:

Prior to the issuance of the above-referenced allowed application, Applicants respectfully request that this allowed application be amended as follows:

In response to the Examiner's telephone call of December 28, 2004, Applicants hereby resubmit the correct nucleotide and/or amino acid sequences and the statement concurrently filed.
